

## **HENSLEY RELEASES J-BOLT LIP SHROUDS EXCLUSIVELY FOR KOMATSU PC850ME BUCKET**

Hensley has released three new J-bolt lip shrouds, center, left hand (LH) and right hand (RH), designed exclusively for the Komatsu PC850ME excavator bucket. These shrouds provide a Hensley solution to your lip protection needs.

- Designed exclusively for Komatsu PC850ME excavator buckets
- Mechanically attached to a weld-on base for quicker and easier change outs
- Provides excellent top and bottom lip protection
- Each lip shroud uses LSWB8 weld base and SFA1J4 J-bolt assembly
- LS300M256J - center  
LS300M257JR - RH  
LS300M257JL - LH
- Cast of low alloy steel and through hardened for longer wear life
