

BOLT-ON WEAR RUNNERS and BASES

- SPECIFICS:**
- High-wear area protection
 - Extends equipment life
 - Bolt-on design
 - Fast and easy change-outs
 - Position end to end & side to side

Hensley Wear Runners are designed for high-wear areas on all your earth-moving / earth-hauling equipment, reducing down time during change-outs and to allow being positioned end to end and side to side. After initial installation of the wear runner weld-on base, change-outs are fast and easy with Hensley's bolt-on design. For speed and ease in change-outs and extended life for all your equipment, switch to **Hensley Wear Runners** today.
