Stock Code	Description	Dnet - Each
56-20461	GPS unit, service for 1 year, metal mounting hardware	\$299.00
56-20669	GPS unit, service for 3 years, metal mounting hardware	\$450.00
67-28582	1 year of additional service	\$150.00
67-29098	3 years of additional service	\$410.00

AROUND THE WORLD FUNCTIONALITY

- ▷ 100% satellite-based GPS communication for visibility in remote locations
- ▷ Fast deployment anywhere with no additional infrastructure required
- ▷ Easy to install and re-install among assets
- ▷ Up to 8-10 year battery life
- ▷ Steel construction designed for the harshest environments
- ▷ Rugged, watertight housing for use across multiple environments
- ▷ Available as pre-install on all buckets

MONITORING & REPORTING

- ▷ Up-to-date reporting via desktop portal or bluetooth enabled mobile app
- ▷ Maintain up-to-date inventory including last seen location & latitude/longitude
- ▷ Effectively manage people, equipment and service, increasing production rates while minimizing the risk of relocation loss
- ▷ Location-based Geofencing triggers a pre-programmed action when a tagged machine enters or exits a virtual boundary
- ▷ GPS-driven data regarding the location and status of your assets lets you manage issues and make effective decisions to properly manage costs
- ▷ Better plan equipment maintenance, ensuring machines receive regular preventive maintenance and minimizing unscheduled downtime
